

Beloved brothers and sisters in Christ,

this is brother Frank greeting you from the International Mission Centre in Krefeld, Germany. Trusting that all is well with you, we look back again to a most blessed weekend, people came from all over Europe and from different parts of the earth, from Canada, from Africa, from Morocco, from everywhere, to be with us to share God's Word with the elect.

We read many scriptures and we all believe that the return of Christ is imminent, we also believe that the message of the hour is going forth as bro. Branham was told – „...*the message given to you will forerun the second coming of Christ*“. Then we also shared the ministry of bro. Branham, I was under the impression, after I heard his sermons and the meetings bro. Branham had in 1947 – 1948, I was overwhelmed hearing the things God did, especially at the beginning of his ministry. Over and again, referring to his calling, to his commission, as Moses was given two signs, two signs were given to bro. Branham. We do believe that he was that promised prophet of **Malachi chapter 4**, confirmed by our Lord in **Matthew 17:11** and **Mark 9:12**.

Beloved, what hurts me is the fact that so many different interpretations within the message of the hour are being presented under the impression that this is what the prophet said, but no interpretation is the original, whether it is a scripture or message and we have to be very careful to even misuse Bible verses and also statements bro. Branham made.

We refer to those things written in **1<sup>st</sup> Corinthians 15** – some were claiming that there is no resurrection, others were baptising for the dead because they believed in the resurrection. What also shared what Apostle Paul was writing to Timothy that there are some who say the resurrection has already taken place and so forth.

Beloved, today is April 2, 2007, exactly 45 years ago, April 2, 1962, which was also a Monday, I heard the voice of the Lord God for the first time in my life. And as Apostle Paul could say that the Lord has spoken to him, in his mother tongue, in the Hebrew language, I can say the same Lord has spoken to me in my mother tongue, in the German language. You all know my testimony. Bro. Branham, on December 3, 1962, which was also a Monday, confirmed the calling I received from the Almighty and even repeated word for word what the Lord had spoken to me. And he referred to the spiritual food which is the promised Word for this day and he made the statement that the message is found in the sermons which

are being taped, which is the food that I was to put in store, and he also said, “bro. Frank, wait with the giving-out of the food until you get the rest of the food”. This part I did not understand, the conversation went on, and bro. Branham told me a number of things, which were also a surprise to me, which he, of course as a human being, could not know, but the main part was – wait with the giving-out of the food until you get the rest of the food. To make it very brief, after the burial of bro. Branham on April 11, 1966, which I attended, when I returned to my hotel room, not a voice that I could hear with my ears, but it spoke in my heart – „now your time has come to give out the food that was put in store“.

So right after bro. Branham was taken to be with the Lord, this ministry started before anyone on earth ever thought about it, God had ordained things beforehand, so I started to take the message to the ends of the earth. Right at that time, to the western and eastern European countries, right to India and wherever, to the many countries around the world.

I do not know if there is anyone else who has received a direct call to the ministry, I've never heard of it, but I can testify, in the presence of Almighty God now and at the judgement seat of Christ, that I, bro. Frank, love bro. Branham, I love the Lord, I love the Word of God, I love the message of the hour and it is not true what many say that bro. Frank corrects the prophet or even the Scripture. I don't do it. I just feel led to correct the interpretations, to attack the interpretations. I cannot stand them, I just simply cannot stand them. I am ordained to preach the Word, that was my commission – the first words the Lord spoke – „**My servant, your time for this city will soon be over, I will send you to other cities to preach my Word**“. I despise the interpretations of the Scriptures and of the message. I do like prophet Ezekiel, I eat this scroll, I eat the Word, I eat the message and then I share God's Word with people. Beloved, we read many scriptures as I said, also especially **Revelation 22:12** – „And, behold, I come quickly; and my reward is with me, to give every man according to his work, according as his work shall be“. And then of course verse **17** – „And the Spirit and the bride say, Come“. Here we do not read the word “church”, we read the word “**bride**” – “**and the Spirit and the bride say**”.

We are now in the last part and, we can say, in the bride age. And only those who are part of the bride will hear the words of the bridegroom, will believe the message of the hour, will believe the promised Word for this day and will have part in what God is doing right now.

I am expecting the supernatural moving of the Holy Spirit to bring the bride together in every country, in every city, because the coming of the bridegroom is at hand.

Pray for me as I pray for you and may the blessings of Almighty God rest upon you in Jesus holy name is my prayer. Amen.
