## Internet Summary – October 2014

Beloved brothers and sisters in Christ, this is brother Frank speaking to you from the International mission centre in Krefeld, Germany.

We look back to a most blessed weekend of meetings. Brothers and sisters from 15 different countries joined us to hear the Words of the Lord. Altogether we had in the main auditorium and also in the dining rooms and everywhere around 1200 gathered in the name of the Lord Jesus Christ to hear the last message. The last call goes forth before the return of Christ.

This is a photo from the main auditorium. It is absolutely great, people are coming from over 1000 km, driving, flying or coming by train to hear the Words of God and also to participate in whatever the Lord is doing now.

I chose two verses from the book of Acts to read.

Acts 4:20: *"For we cannot but speak the things **which we have** seen and heard."*

And then in Acts 5:32: *"And we are his witnesses of these things; and so is also the Holy Ghost, whom God hath given to them that obey him."*

It is not only the men that were together with the Lord who were eye- and earwitnesses, but the Holy Spirit being present, confirming and giving divine revelation to those who believed what the eyewitnesses have said.

Beloved brothers and sisters, it might not altogether interest you so much, but for me it is something very, very special. If I look back to the years wherein I am following the Lord, preaching the Gospel of Jesus Christ, but the main things should be emphasized and I am going to do it in a very brief way.

You know, I am serving the Lord, preaching on a regular basis since 1952. But then there was a year – the year 1955, when God's servant and prophet came to Germany and I became an eyewitness and earwitness of what God has done in our time and how the Lord confirmed that ministry at the spot in every meeting. Brother Branham called people to repentance and then he prayed for the sick and the same ministry repeated that our Lord had – a Son of man in His prophetic ministry. Brother Branham was shown by vision who the person is, where they came from, what their illness and the circumstances in their life were. I am an eyewitness, I am an earwitness, also being in his meetings in the USA, seeing, hearing, but that was not all – the main thing was and is that by the Holy Spirit I could understand by divine revelation that this is a man of God sent with a message that will forerun the second coming of Christ.

And beloved, this I have to say very directly and without compromise: The forgery that was done is very, very terrible. William Branham was told – I wrote it into my Bible and I can share it with you right now – William Branham was told (*brother Frank reads the forged text first*): „As John Baptist was sent to forerun first coming of the Lord, so are you sent to forerun His second coming.“ But this is not

what brother Branham was told on June 11<sup>th</sup> 1933. On June 11<sup>th</sup> 1933 William Branham was told from the supernatural light: **"As John the Baptist was sent to forerun the first coming of the Christ..."** Please listen! **"...the message given to you will be a forerunner of the second coming of Christ."**

In the forged text the word **"message"** is not found. And the terrible thing is that this forged text was put under the picture of the pillar of fire. That is criminality! That is forgery! That is something very, very terrible! If the voice said: "As John Baptist was sent to forerun the first coming of the Christ, you are sent with the message that will forerun the second coming of Christ", how can anybody on earth change what came from the supernatural light and then even put it under the picture with the supernatural light that was taken in Houston, Texas on the 24<sup>th</sup> of January 1950?! And I, brother Frank, took a flight to Washington, I held the picture, which was given to me in the Hall of Art in Washington, in my hands. But there was no text under that picture and here it is and says: "As John the Baptist forerun the first coming of the Christ, you will forerun His second coming." Nothing said about the message that will forerun, even not said what brother Branham said on February 2<sup>nd</sup> 1960: **"Not that I would be the forerunner, but the message was the forerunner."**

Brothers and sisters, every lie originates with the liar, with the enemy and every change, as brother Branham said, Satan with Eve only added one word and it brought death. Now, everybody who believes the forged text, must believe that with William Branham everything is finished, he forerun the second coming of Christ and that is all. And that is a lie! He was sent with a message that will forerun the second coming of Christ. And therefore all who believe the forged text can never believe that brother Frank has taken the message in the past 49 years to 143 countries in over 600 cities I preached the Word of God, the message of the hour! There are brothers who laugh about it, who ridicule the ministry the Lord has given to me, even the call of April 2<sup>nd</sup> 1962, that brother Branham before witnesses confirmed and repeated in the English language word for word the Lord has spoken to me in the German language and then said: "Brother Frank, wait with the giving out of the food until you get the rest of the food." There is no respect in the people today and they are ready to believe a lie and not the truth, but all who are born again by the true seed of the Word of God and by the Holy Spirit, they will only believe the true Word of God, not a single interpretation and they will believe the original commission brother Branham received. There is much that should and could be said, but this is enough for today. I am very grateful to the Lord for what He has done in the past 49 years all over the Earth.

Beloved brothers and sisters, now the return of our Lord you can almost stretch your hand and reach it! It is at the door! It is at the door and now you must take your decision, you must take your stand with God! You should not believe a lie, you should believe the truth. And the truth is that God according to

Malachi 4 has sent his servant and prophet before the great and dreadful day of the Lord would be with the message. And the Lord took His prophet, but the message remains with us and we take the message to God's people all over the Earth. At this time we are serving God's people in 172 countries, sharing the true Word of God in the name of Jesus Christ. This is the last call before the return of Christ.

May God bless you and as you read in Acts chapter 4, we give witness of what our eyes have seen and our ears have heard and the Holy Spirit confirms it in all the true hearts believing only the Word and no interpretation.

God bless you and be with you in Jesus' Holy name. Amen.
