

Internet Summary September 2015

Beloved brothers and sisters in Christ, this is brother Frank speaking to you from the International Mission Center in Krefeld, Germany. We just had great meetings sharing the Word of God with many who came from all over Europe and also from overseas. We're just grateful to the Lord for the precious and holy Word, for the message of the hour and for the promises, which we do see fulfilled in our time.

Today it's very heavy upon my heart to share with you a few things which are not easily understood, but before God I do have a responsibility to share the true Word of God, the true message of the hour with God's people. And I have to say and emphasize what the apostle Peter had to say – that no prophecy of the Scripture is of any private interpretation and as John the apostle said – no lie originates from the truth.

Today I have to say a few things. Let me read Isaiah chapter 28 and here only verse 21:

“For the LORD shall rise up as in mount Perazim, he shall be wroth as in the valley of Gibeon, that he may do his work, his strange work; and bring to pass his act, his strange act.”

Then Romans chapter 9, here we read in verse 28:

“For he will finish the work, and cut it short in righteousness: because a short work will the Lord make upon the earth.”

Why have I read these two Scriptures? Simply because of the misleading of those who refer to the prophet, always stating: “The prophet said, the prophet said...” but not going back to the Word of God. The reason I have to say a few things is because for many years I have realized that many directions by different brothers are going wrong explaining what the Lord had shown and told and commissioned brother Branham. But as no prophecy of the

Scripture is of any private interpretation, so is nothing pertaining to the ministry of the prophet who was sent in our time as the fulfillment of Malachi chapter 4 – no-one has the right to interpret, to give his own opinion and to put things together according to his own taste.

At the funeral of our beloved brother Pearry Green I met different brothers and again the past was placed before me. Then after return I read the book „The Acts of the Prophet“ and friends, here things were interpreted, were put together – the seventh seal, the seven thunders, the third pull, the tent vision, everything was placed and according to one’s own understanding was given to the people. Even to the fact that the prophet will return, have the tent ministry... And our beloved brother even said that the prophet told him: „Brother Pearry, I believe that there will be a place for you...“ in reference to the tent vision.

But now the prophet is gone for 50 years, now our beloved brother is also with the Lord – what a disappointment will all those have believing interpretations, believing that the prophet will rise, have a tent ministry, third pull, seven thunders, seventh seal...? Please, forget it forever!

I say again: The ministry of our beloved brother Branham, God's servant and prophet was so unique – it never happened on Earth except with our Lord Jesus Christ in His prophetic ministry as Son of Man. This infallible ministry took us back to the Word of God, not into our own interpretations, but back to the Word of God. Everything William Branham was shown and told was part of his ministry and his commission and nothing of it is in the future! The Lord himself, as the Holy Scripture says, will complete His work, His strange work.

John the Baptist, who foreran the first coming of Christ, was not on Earth when our Lord paid the price and gave His life and said out

loud in John chapter 19, verse 30: “It is finished!” So it will be – the Lord Himself will finish His work! Please, I feel so sorry for the misleading of God's people. God’s people have a right to believe the original Word of God, they have a right to stay in the Word of God and in the will of God.

If I think about the many interpretations and this is one of them – also it has come to my notice what has happened in Jeffersonville on the pyramid, which is placed upon the tomb of brother Branham on the cemetery. Here the forged text is written! Falsification is written on the tombstone of William Branham and this falsification is also in the door in Jeffersonville and it's on the tombstone and in Tucson it's in the door, engraved in the door and reads: „As John the Baptist was sent to forerun the first coming of Christ, you will forerun the second coming.” That is a lie! And brother Branham said so many times it took one word that satan misused, put a doubt and added – in Genesis chapter 3 and the fall was done.

Beloved the original text... everybody knows the original text. I read what was told from the supernatural light on June 11th, 1933: **As John the Baptist was sent to forerun the first coming of Christ, the message given to you will be a forerunner of the second coming of Christ. Not that I would be a forerunner but the message would be forerunning. I am no more than anyone else.**

Beloved, that is the original text, the original words. In the falsified text the word “message” is not found anymore. And therefore these brothers who believe the lie they reject the ministry God has given after brother Branham was taken to be with the Lord.

Beloved, in these past 50 years by the grace of Almighty God I shared the message from the Word of God! There is no-one on Earth who esteems William Branham, before God Almighty, as I do! I knew him for 10 years. Of course I live in Germany and the times I

was together with him I cherish very much. But beloved, it hurts me to know and to see all the directions following interpretations, turning the back to what God said and looking for the future... the prophet will come... No! The Lord himself will finish His work of redemption as He finished His work of creation. William Branham had the greatest ministry ever on the face of the Earth. And we believe, as I already said, that no prophecy of the Scripture and no statement of the prophet are of any private interpretation. Whether we see it or not, leave it with the Lord! But here is the problem: These dear brothers always point back to what God has done through the ministry of the prophet and always point to the future – that he will come and he will, and he will... bypassing, rejecting, scoffing about the things which God is doing now. And the same Lord who was with William Branham called me with an audible voice to go from city to city, to preach the Word, to store in the food... And the prophet said on December 3rd, 1962: “The food you’re to put in store is the promised Word of God for this day, but wait with the giving out until you get the rest of the food.” And so when brother Branham was taken to be with the Lord, God Himself used me according to the divine call to share the true Word of God, to show to the people the ministry William Branham had as a fulfillment of Bible prophecy in our day and the message that will forerun the second coming of Christ.

I could report many, many things. Even now in the Persian Gulf areas and countries – first we started with 23, then with 56 and now we have 70 stations reaching all the people in the Middle East, in the Far East and everywhere with the message of the hour.

By the grace of God I was faithful to the commission the Lord gave me. And our precious brother Green in his last letter to me made this statement in the final lines: “The harvest is plenty but the

laborers are few. Brother Frank, please, continue to be faithful to your commission that I personally believe to be true.”

Yes, brother Pearry Green was my old friend. Him I invited in 1966 to come to share his testimony in the meetings that I would arrange and in 1966–67–68 we had 25 meetings all over Europe and he shared his testimony. In 1979 things changed but this we’re not going to speak about. God knows all things. Let me say in finishing: My heart was broken when I had to look at the things which I didn't think about for many years, so please, don't look to a prophet to return. Get ready because they that are ready will go to the marriage and the rest will knock at the door.

This is the time to get ready, to prepare for the return of Christ, our beloved Bridegroom.

May God give you to divine understanding, divine respect, divine revelation by His Holy Spirit and may the grace of God be with you in Jesus' holy name. Amen.
